F

To Have A Good Friend; Be A Good Friend

Friendship . . .
Affection and personal regard.
That is how the dictionary defines it.
In life, it's that and more.
Much more.
Shared pleasures.
Eased pains.
Trust.
Tenderness.
Praise of your best.
Acceptance of what else you may be.
And in some cases, a beginning
(the very best beginning)
for love.
Cling to good friendship.
That will make it stronger.
Express it.
That makes friendship stronger still.

Sherri Tudor
Senior Class President

Being a senior means more than your last year of secondary education. And you realize this only when you become a senior. You catch yourself appreciating all the small things that before you took for granted. Such as a lost friend, a kind teacher, your last Christmas among classmates. You keep reminding yourself through the whole year, "this is the last time." You also realize that the senior students of 1982 are not only your classmates but a special part inside of you that you keep with you for the rest of your life. God Bless You Class of '82.

Knights Play Close Game With Richmond

Juniors Kevin Nicholson and Mindy Fulks were chosen all-conference for basketball and volleyball. The class of '83 had two class parties. The last one was during the spring at Glen Miller Park. Financing the junior-senior prom at a cost of $1,000, the class sold magazines, candy and calendars to raise the amount. The juniors came in second in the sectional hallway competition held early in March.

All the girls worked hard for their fantastic record. The outstanding players for this season were Lisa Soenen, server; Tammy Smith, setter; and Kim Ryan, spiker. The most improved award went to Kim Hieger. It looks like a promising season for next years team.

Participation, Sacrifice Needed For A Good Team

Third row, Bob Palmeri, Dan Nocton, Mike Toschlog, David Campbell, Ty Thorman. Fourth row, Coach Mike Stewart, Asst. Coach Bernie Fraze, Asst. Coach Dave Lower.

Considering the B-team always practiced with the varsity and barely had time to work together they did a fine job pulling out a reputable record of 2-1-1 this season.

The team, headed by David Eggers, Todd McQuiston, Mike Toschlog, Ty Thorman and Jim Powell, looks to have a very good outlook with a strong 8th grade team coming up.

Coach Lower feels that NHS will have a successful football program in the future but "more participation is needed or at least athletes who are willing to sacrifice the time and effort."

Eighth Grade

It was a tough season for the eighth grade football team as they pulled off two wins against Union County and Cambridge City but faced six losses.

The "candy" award, given by Coaches Larry Emery and Allen Hawkins, inspired the players to work harder. Although everyone did their best, the outstanding players for this season were Bobby Hall, Brad Hester, Sam George, and Greg Strunk.

Coach Emery feels that the team had a good nucleus and could have won more games than they did. The 1982 season looks to be a good one for these up and coming freshmen players.

Outstanding players were listed as Reece Watt, Chris Bartram, Steve Bussberg, Todd Barker and Kenny Nimitz.

Best defensive players, according to Wright, were Donald Cates, Doug Tutterow, and Terry Sandifar. "Each position was two or three players deep with 8 to 10 players showing the potential to become real ball handlers." explained Coach Wright.

Cheryl Pegg and Dee Dee Taylor were chosen outstanding players for the seventh grade girls basketball season. The girls lost three games by one point and another by two points in overtime which brought their season a record of three wins and six losses.

Grapplers Moving With Young, Inexperienced Strength

Coach Larry Emery commented that the team, which consists of 25 freshmen and two sophomores out of the 30 participants, was "young and inexperienced but very competitive." They ended the season with a 5-5 slate.

Outstanding players for the season were Jerry Urich, Larry Lipscomb, Dan Hollingsworth, Dave Benge and Darren Collett. Trophies were given to Jerry Urich, most falls; Larry Lipscomb, most take-downs and most valuable player; and Dave Benge, escape-reversal.

Although there was no win-loss record kept, the junior varsity wrestlers pulled off a pretty successful season. Those who really improved this year were Dennis Frame, Jim Lamb, Dave Mullins, Kevin Nocton, Jeff Perry, Ralph Russell, and Kevin Heeter.

"We felt we could have won in several weight classes," stated Coach Lower, "but we are still needing wrestlers in the upper classes."

Under the coaching of Larry Emery, the 43 junior high wrestlers completed a close season with a record of 3 wins and four losses. Seventh grader Tony Bane described the season as "pretty good" and proudly said, "the best meet was when we beat Union 69-21."

Although they may be young, these jr. high grapplers are tough and will probably make a super strong varsity team someday.

NHS Gymnasts Suffer Disappointing Season

"All in all I'm somewhat disappointed in the win/loss record," stated varsity gymnastics coach Kay Koger, "but this is to be expected when a change in coaching staff occurs."

Outstanding gymnasts were Johna Crull, who did "very well" on vaulting and improved "immensely" on beam, and Missy Sherer, who did a "great job" on bars and beam and improved her vaulting 100%. Missy also attended sectionals at Richmond where she placed third all-around and went on to regionals. "Next years intermediate team has a good outlook," Koger informed when asked about future teams.

Junior Varsity

"The girls did even better than I expected them to," commented Coach Koger about the beginning gymnastics team. Outstanding gymnasts for 1982 are Kathy Rayborn — vault; Tina Hubble — beam and bars; and Laura Redmyer — floor and bars. The three girls should be good on the intermediate team next year.

9 Year Record Demolished By Heighway

The boys varsity track team, although going through a period of reformation, completed a winning season ending with a record of 6-3. Peter Frame and Dan Heighway were highest scorers for the Knights and Dan also broke the mile record which has held since 1973.

When Coach Warvel was asked about the season he replied, "Actually, we did better than we had expected."

Next years hopefuls are Alan Wetzel in shot and discus, Dennis Frame and David Hamm in the mile, Todd Barker and Jim Powell in the middle distances. Coach Warvel feels next years team could do better if they find help in the sprints.

Five girls made their way to the regional this year: Micci Townsend in discus, and the mile relay team of Lynnette Powell, Mary Toschlog, Mindy Fulks, and Vicky Branson which received a 5th placing in the regional.

Coach Gordon Ricketts stated, "The team did better than I expected." He added, "Next season looks real good since we'll only lose Vicky Branson and Teresa McClatchie."

The junior high boys track program, under the leadership of Coach Mike Sherrow, posted a season of 4-5.

"We were much improved as we won the last two track meets," Sherrow commented. Clayton Ritchie, eighth grader, was cited by the coach as being the "most valuable athlete."

"Four of the boys will make good trackmen at the high school level."

Next year should be a better one for the junior high cindermen as "we are looking forward to a strong returning eighth grade squad," explained Sherrow.

Powerful Jr. High Girls Run A 3-3 Season

Mary Hopkins, Shari Stemple, Linda Taylor and Traci Nimitz led the jr. high girls into a season of 3-3. The team was disappointed of losing two close meets that could have made a clean sweep of 5-1. Eighth graders Traci Nimitz and Shari Stemple broke records in the high jump, shot put and the 1600 meter run and seventh grader Mary Hopkins set a new record in the 50 meter run.

"Our team scores during the second half of the season are about what I expected for the entire season. Overall, we did pretty well."

All lettermen will be returning next year, so the squad is hopeful for a successful season next year. "I will be looking for Matt Brobeck and Scott Wesler to be the senior leaders."

Varsity Tennis Ranks 4th In TEC Tourney

"Julie Jackson at #1 singles had an outstanding record and our #2 doubles team of Karen Catey and Kara Hubbell played well, and towards the end of the season, Paula Fisher showed much improvement at #3 singles," according to Chris Carter, girls varsity tennis coach.

Their season record was 2-8-1 along with a rank of fourth in TEC tournament play.

Time Moves On — Memories Last Forever

A yearbook is a memory book, a setting down in print and picture the story of the current year. When this is done successfully, the events are forever fresh and new, the people pictured forever young, forever beautiful.

The yearbook staff, photographers and advisor have done their best to create a yearbook that tells the story of the 1981-82 school year of Northeastern Junior-Senior High School. For there is much to tell, the story of a year that will remain forever a part of the lives of . . . students, teachers and coworkers. The story this yearbook tells is our story . . . of the people, by the people and for the people . . . of US in our times and our year.

Today time moves swiftly on. The future beckons us and we may pause only briefly to dwell upon our year as we lived it here . . . in this volume. Each page of this book is filled with those special moments where time slipped by, but the memory will last a lifetime.

I would now like to take this opportunity to thank all the staff members and especially our advisor, Mr. Gary Cole. It was their hard work and determination that made this yearbook possible. There were times when we all felt like giving up, but with a lot of patience and dedication we pulled through.

Room 6 is silent now. The typewriters are in their cases, pens and notebooks are stashed away, and the liquid paper cap is sealed tightly shut. We have made it — THIS is our creation. I thank you all . . .

Beth Barker
